

Youth Outreach Partner Grant Application

A designated portion of the Youth Outreach Fund has been set aside for use by youth groups doing mission work in Kentucky. Each summer, these funds will be available for youth groups to apply for a partnership grant from the region to help offset the cost of these local mission trips. **The Partnership Grant is \$250.00 for Domestic and could be \$500 for International trips.** There are ten partnership grants available for this year and they will be given on a first come basis. Confirmed dates with a mission site are a prerequisite to receive a grant. The Youth of Kentucky ask each group receiving a grant to submit a short diary of the trip along with 5 pictures which best describe the experience. This information will be shown around the region to help others learn about the importance of mission work and to promote giving to Youth Outreach projects in Kentucky.
